

A glass of vibrant orange juice is the central focus, with a thick stream of juice being poured into it from above. The juice has a rich, golden-orange hue. Surrounding the glass are several pieces of fruit: two whole peaches with red and yellow skin, a peach half showing its brown pit, and a peach wedge. Small droplets of juice are scattered on the light-colored surface around the glass and fruit. In the top left corner, the INCAL agricola logo is visible.
